CARE COSTS

Care arrangements sourced from external providers	Domiciliary, personal or nursing care is not included in the service charge but can be arranged via an external agency of the individual's choice.
	The Management Team at The Red House will hold up-to-date details of reputable and appropriately qualified and Care Quality Commission registered local care companies which can be supplied on request. However, Owners/Occupiers are at liberty to source alternative care providers if they wish.

² If the reservation proceeds to completion, this is deductible from the purchase price on completion. Please see the Reservation Agreement Terms for details of reservation cancellation rights and the amount of the reservation fee which will be refunded in this event.

	<p>Care costs vary from provider to provider and depending on the type of care required. Typically, however, care visits can cost between £20 and £30 per hour on weekdays, more at weekends and on bank holidays. Overnight, 24-hour care, respite and live-in services are all available and care companies will quote for these, and their basic services, based on individual requirements.</p>
	<p>Any domiciliary, personal, or nursing care costs are paid direct by the individual to the care provider. If a private "Healthcare Needs Assessment" is required, instead of or as well as the free NHS assessment, the cost of this will be payable by the individual direct to the GP.</p>
	<p>Neither ERL, ERLRHR or RHRML, nor any company or person associated with them or The Red House, receives any incentive or commission from the above, or any other, care service providers.</p>
